REQUEST FOR EXTENSION OF REPLY COMMENT DEADLINE

1. IEEE 802¹ respectfully submits this request for an extension of the Reply Comment deadline for the above captioned proceeding².
2. IEEE 802, as a leading consensus-based industry standards body, produces standards for wireless networking devices, including wireless local area networks ("WLANs"), wireless personal area networks ("WPANs"), wireless metropolitan area networks ("Wireless MANs"), and wireless regional area networks ("WRANs"). Included in our standards development activity is an emphasis on coexistence, which is the focus of our Wireless Coexistence working group. We appreciate the opportunity to provide these comments to the FCC.
3. IEEE 802 submitted comments in the subject proceeding³ and, in reviewing the record of comments to date, is concerned that there is insufficient time allocated to thoroughly review the record and provide reply comments in accordance with the Commission's current deadline, June 24, 2013.
4. As a result, IEEE 802 is hereby respectfully requesting an extension of the Reply Comment

1 The IEEE Local and Metropolitan Area Networks Standards Committee ("IEEE 802" or the "LMSC").

2 This document represents the views of IEEE 802. It does not necessarily represent the views of the IEEE as a whole or the IEEE Standards Association as a whole.
